

## **CAMPS & CLINICS INTERNSHIP**

### **Summary**

The Washington Mystics Camps & Clinics Intern will assist the Mystics Senior Director of Business Development on all projects related to the team's Camps & Clinics program and the Mystics Youth Summer League (MYSL).

### **General Responsibilities**

- Assist in the research and planning for current and potential camp and clinic locations.
- Assist in the management and recording of participant registration.
- Assist in the marketing and promotion of the summer camp program and the MYSL.
- Prepare various collateral items related to the camps and clinics program including but not limited to participant packets, backpacks, certificates of participation, and ticket vouchers.
- Assist in the overall day-to-day execution of the summer camps program, MYSL, and various clinics.
- Attend select camp locations to perform various duties including registration, administrative tasks, staffing of merchandise store, etc.
- Attend select games of the MYSL schedule to represent the Mystics and perform tasks as assigned by the Sr. Director of Business Development.
- Additional duties as assigned by the Sr. Director of Business Development.
