

## VIDEO INTERNSHIP

### **Summary**

The Washington Mystics Video Intern will assist the Mystics Video Coordinator on all video and scouting projects that have been assigned by the Head Coach. The video intern will be responsible for providing the basketball operations staff with video to allow analysis of college prospects; evaluate & develop Mystics players; and prepare for game competition. During the summer term, attendance at all Mystics home games is required. This position reports to the Video Coordinator.

### **General Responsibilities**

- Videotaping games and practices as needed
- Editing clips of Mystics play for coaching staff
- Doing breakdown DVDs of Mystics game film
- Organizing video library related to scouting of opponents
- Organizing written scouting information for coaches, including opponents' stats, box scores, player personnel, keys to game, etc.
- Reviewing game films of opponents prior to playing them (3-4 previous games), highlighting their offensive sets, defensive schemes, OOB plays, time & score situations, player rotations/substitutions, ATO, presses, etc.
- Assisting coaches with scouting needs
- Preparing a scouting edit of opponent for team (8-10 mins)
- Preparing personnel edit of opponents for team (5 mins)
- Preparing post game edits, showing both positive & negative clips
- Coordinating film exchange with other WNBA teams
- Copying games for officials
- Preparing highlight & motivational videos, as well as teaching edits
- Creating player & position specific edits used for player development
- Calculating statistics pertaining to player and team efficiency
- Performing daily administrative duties pertaining to video needs & scouting
- Keeping statistics in practice/games
- Charting tendencies of Mystics team, as well as opponents
- Managing intern(s) when necessary
- Game planning ideas with coaches
- Attending practice, shoot-around, and pre-game shooting, etc. when required
- Scheduling, recording, and filing all WNBA games during the season
- Setting up all edits to be reviewed by staff and team
- Utilizing all editing equipment, and assist coaches with set-up (train coaches)
- Organizing edits for traveling on the road for away games
- Working with our advanced scouts to prepare scouting information for team/staff
- Maintaining all video supplies and equipment
- Creating player development tapes for Mystics players
- Overseeing and updating a video playbook
